Dear Sir:

Please **grant the petition filed to eliminate the forced molting of hens**. This is **Docket Number 98P-0203/CP**. Please stop the intentional starving of "laying hens" by the egg industry. Chickens kept for laying endure a horrific life-starvation, deprivation of light and water, and sure death. No one should condone such excruciating misery for animals. Your attention is greatly appreciated by humans and animals alike.

Sincerely,

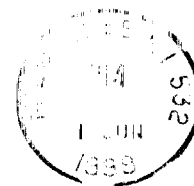

Janet Eisberner
